RATE CARD

Mediation Fee: Two and Three party mediations will be billed at a rate of \$475/hour. Mediations with more than three parties will be billed an additional \$50/hour for each party beyond the third.

The minimum fee for a half-day mediation (scheduled for four hours or less) is three (3) hours. The minimum fee for a full-day mediation (scheduled for six hours or more) is six (6) hours.

Cancellation Policy: A minimum mediation fee of two (2) hours for a half-day mediation or four (4) hours for a full-day mediation will be charged for any mediation canceled less than five (5) business days before the scheduled mediation. If you need to cancel or reschedule, our office must be notified via email.

Please note that for us to remain neutral, it is our policy to bill all parties equally for their portion of our minimum fees regardless of which party cancels a session or why it was canceled, even if it is being rescheduled, has settled, or one side is still willing to move forward.

All cancellations must be communicated in writing (email is sufficient) with the agreement of all parties noted. If a mediation is cancelled more than five (5) days before the scheduled date, no cancellation fee will be charged. However, a cancellation fee will be charged in the event that the mediation is cancelled *within* five (5) days of the scheduled date. Any cancellation fee that is paid will be credited against the fee in that same case if it is rescheduled within 60 days of the original mediation date.
